

Employment Opening

VA Palo Alto Health Care System (VAPAHCS) invites applications for a staff physician position in the Pulmonary Section of the Medical Service. Applicants must have completed accredited fellowships and be BC/BE in Pulmonary Disease, Critical Care Medicine, and Sleep Medicine. Duties include attending in a 15 bed Medical Surgical Intensive Care Unit, on the Pulmonary and Sleep consultation services, and in clinics at the Palo Alto, Menlo Park, and Livermore Divisions. A strong commitment to the education and training of medical students, residents, and fellows is required. Experience with advanced pulmonary interventional procedures, including EBUS, is highly desirable. A record of scholarship is desirable. VAPAHCS is an affiliate of the Stanford University School of Medicine. Qualified applicants may be eligible for a faculty appointment in the clinician – educator track in the Division of Pulmonary and Critical Care Medicine at Stanford University.

Candidates should send a curriculum vitae, a personal statement, and names of three potential references to:
Ms. Anna Breiburg, RNP at anna.breiburg@va.gov;
650.493.5000 ext. 64204.
